If two faculty members from your school take at least two courses each, any OTHER faculty members can take SEVERAL (up to 14) different courses for Half Price! **Only one faculty member per school per course for half price.** If you wish to take a course in which one of your faculty members is already registered you or they must pay for the course. This prevents a school from taking over an individual class. This offer **EXPIRES April 1, 2025!**

If either of your paying faculty members cancels and gets refunded for one or both of their courses, all half price attendees will have their registrations cancelled. Best not to get refunded and instead transfer the registration to another faculty member.

To take advantage of this half price offer, duplicate the registration form and fill out one for each faculty member. After two faculty members register and pay for two courses each, register OTHER faculty for any courses at half price. Only ONE faculty member per school registered in any same course at half price.

You may mail in the registration forms and a check for the entire amount to:
